The performance data quoted represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance quoted. For performance data current to the most recent month end, please call (888) 889-0799, or visit our website at cnicharterfunds.com.

An investment in the Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the fund.

Returns for periods greater than 1 year are annualized. Yields will vary.

Investment performance may reflect voluntary fee waivers in effect. In the absence of such fee waivers, total return and yield would be reduced. Fee waivers may be discontinued at any time.

The yield quotation more closely reflects the current earnings of the Fund than the total return quotation.
